South King County Tech Prep Consortium
2003-2004 Tech Prep Auto Body Articulation Agreement between
Green River Community College and Federal Way School District

The purpose of this Tech Prep articulation agreement is to enable Federal Way School District students completing an Auto Body program to enroll at Green River Community College and request college-equivalent credit for courses taken as part of their secondary education program.

Explanation of Tech Prep Articulation

Based upon a study of Auto Body competencies taught in Federal Way School District that coincide with Auto Body competencies taught at Green River Community College, the college has agreed to articulate with Federal Way School District direct transcription of courses and corresponding credits in this program. Upon successful completion of the identified courses with a grade of "B" (3.0) or higher and the high school teacher's recommendation that the competencies requirements for the Green River Community College course(s) have been met, articulated credit will be awarded.

Tech Prep Articulation Agreement Provisions

Admission into articulated programs is guaranteed, subject to space availability, for students who successfully meet the requirements of the Green River Community College program. A student failing to make satisfactory progress in a community or technical college course, at the discretion of the college instructor or degree program advisor, may be required to transfer back to a previously articulated course.

Curriculum Articulation, Review, and Renewal

Secondary and post-secondary instructors have provided competencies and other necessary information to serve as benchmarks for validating this agreement. These competencies must be reviewed annually.

Student Articulation Procedure

1. Enroll in the high school class(es) offering Tech Prep college credit,
2. Earn a "B" (3.0) grade or better, and satisfy the competencies outlined by the Tech Prep teacher, and
3. Enroll in the GRCC Auto Body program and request Tech Prep credit from the instructor.

This agreement requires signatures from both institutions and a signed "Contract of Articulation" between the Federal Way School District Superintendent and Green River Community College President.
