The purpose of this Tech Prep articulation agreement is to enable Enumclaw School District students completing a Business program to enroll at Green River Community College and request college-equivalent credit for courses taken as part of their secondary education program.

Explanation of Tech Prep Articulation

Based upon a study of Business competencies taught in Enumclaw School District that coincide with Business competencies taught at Green River Community College, the college has agreed to articulate with Enumclaw School District direct transcription of courses and corresponding credit in this program. Upon successful completion of the identified courses with a grade of "B" (3.0) or higher and the high school teacher’s recommendation that the competency requirements for the Green River Community College course(s) have been met, articulated credit will be awarded.

Tech Prep Articulation Agreement Provisions

Admission into articulated programs is guaranteed, subject to space availability, for students who successfully meet the requirements of the Green River Community College program. A student failing to make satisfactory progress in a community or technical college course, at the discretion of the college instructor or degree program advisor may be required to transfer back to a previously articulated course.
