South King County Tech Prep Consortium
2003-2004 Tech Prep Marketing Articulation Agreement between
Green River Community College and Auburn School District

The purpose of this Tech Prep articulation agreement is to enable Auburn School District students completing a Marketing program to enroll at Green River Community College and request college-equivalent credit for courses taken as part of their secondary education program.

Explanation of Tech Prep Articulation
Based upon a study of Marketing competencies taught in Auburn School District that coincide with Marketing competencies taught at Green River Community College, the college has agreed to articulate with Auburn School District direct transcription of courses and corresponding credits in this program. Upon successful completion of the identified courses with a grade of "B" (3.0) or higher and the high school teacher’s recommendation that the competency requirements for the Green River Community College course(s) have been met, articulated credit will be awarded.

Tech Prep Articulation Agreement Provisions
Admission into articulated program is guaranteed, subject to space availability, for students who successfully meet the requirements of the Green River Community College program. A student failing to make satisfactory progress in a community or technical college course, at the discretion of the college instructor or degree program advisor may be required to transfer back to a previously articulated course.

Curriculum Articulations, Review, and Renewals
Secondary and post-secondary institutions have provided competencies and other necessary information to serve as benchmarks for validating this agreement. These competencies must be reviewed annually.

Student Articulation Procedure
1. Enroll in the high school classes offering Tech Prep college credit,
2. Fill out and submit necessary Green River Community College forms and a one-time $15 filing fee,
3. Earn a "B" (3.0) grade or better, and satisfy the competencies outlined by the Tech Prep instructor, and
4. The high school teacher will submit grades and a recommendation to Green River Community College. GRCC will then issue a transcript to verify credits earned.

This agreement requires signatures from both institutions and a signed "Contract of Articulation" between the Auburn School District Superintendent and Green River Community College President.

The purpose of this Tech Prep articulation agreement is to enable Auburn School District students completing a Marketing program to enroll at Green River Community College and request college-equivalent credit for courses taken as part of their secondary education program.

Explanation of Tech Prep Articulation

Based upon a study of Marketing competencies taught in Auburn School District and coincide with Marketing competencies taught at Green River Community College, the college has agreed to articulate with Auburn School District direct transcription of courses and corresponding credits in this program. Upon successful completion of the identified courses with a grade of "C" (3.0) or higher and the high school teacher's recommendation that the competency requirements for the Green River Community College course(s) have been met, articulated credits will be awarded.

Tech Prep Articulation Agreement Provisions

Admission into articulated program is guaranteed, subject to space availability, for students who successfully meet the requirements of the Green River Community College program. A student failing to make satisfactory progress in a community or technical college course, at the discretion of the college instructor or degree program advisor may be required to transfer back to a previously articulated course.

Curriculum Articulation, Review, and Renewal

Secondary and post-secondary instructors have provided competencies and other necessary information to serve as benchmarks for validating this agreement. These competencies must be reviewed annually.

Student Articulation Procedure

1. Enrollment in the high school class(es) offering Tech Prep college credit.
2. Fill out and submit necessary Green River Community College forms and a one-time $5 filing fee.
3. Earn a "C" (3.0) grade or better, and satisfy the competencies outlined by the Tech Prep teacher, and
4. The high school teacher will submit grades and a recommendation to Green River Community College. GRCC will then issue a transcript to verify credits earned.

This agreement requires signatures from both institutions and a signed "Contract of Articulation" between the Auburn School District Superintendent and Green River Community College President.
