South King County Tech Prep Consortium 2003-2004 Tech Prep Marketing Articulation Agreement between Green River Community College and Kent School District

The purpose of this Tech Prep articulation agreement is to enable Kent School District students completing a Marketing program to enroll at Green River Community College and require college-equivalent credit for courses taken as part of their secondary education program.

Explanations of Tech Prep Articulation
Based upon a study of Marketing competencies taught in Kent School District that coincide with Marketing competencies taught at Green River Community College, the colleges have agreed to articulate with Kent-School District direct transcription of courses and corresponding credits in this program. Upon successful completion of the identified courses with a grade of "B" (3.0) or higher and the high school teacher’s recommendation, the competency requirements for the GRCCC certificate(s) have been met, articulated credit will be awarded.

Tech Prep Articulation Agreement Provisions
Arbitration into articulated programs is guaranteed, subject to space availability, for students who successfully meet the requirements of the GRCCC marketing program. A student failing to make satisfactory progress in a community or technical college course, at the discretion of the college instructor or degree program advisor may be required to transfer back to a previously articulated course.

Curriculum Articulation, Review, and Renewal
Secondary and post-secondary instructors have provided competencies and other necessary information to serve as benchmarks for validating this agreement. These competencies must be reviewed annually.

Student Articulation Procedure
1. Review the high school course(s) offering Tech Prep college credit.
2. Fill out and submit necessary Green River Community College forms and a one-time $55 filing fee.
3. Earn a "B" (3.0) grade or better, and satisfy the competencies outlined by the Tech Prep teacher.
4. The high school teacher will submit grades and a recommendation to Green River Community College. GRCCC will then issue a transcript to verify credits earned.

This agreement requires signature from both institutions and a signed “Contract of Articulation” between the Kent School District Superintendent and Green River Community College President.
